

Coach Jaynine's Online Dating Etiquette Tips

1. Be prepared to pay for your own coffee or meal on the first meeting
2. Don't be afraid to call the other person
3. If there is no attraction don't feel bad; be honest
4. Don't contact people that you know your friends are trying to establish an online relationship with.
5. Be willing to drive to meet the person or at least half way.
6. Use your manners and respect yourself.
7. Do not use online dating as a way to never have to cook your own dinner or pay for your movie ticket.
8. Remember that online dating is time consuming and costly. Do not tease or flirt if you have no desire to meet the person.
9. Offer to pick up the tab once in a while.
10. Treat the other person with respect.
